

Helping you choose

Still not sure about what is the right field of work for you? There are some excellent tools which will assist you in identifying positions which will suit your interests and abilities.

The Testing Room - www.careersonline.testingroom.com

Discover what career is really right (and wrong) for you... and why! Begin your journey of self-discovery by completing a few of our tests and receive a personalised mini report from each assessment.

My Future - www.myfuture.edu.au

Australia's career information and exploration service. Click on the quizzes

Job Outlook - www.joboutlook.gov.au/pages/careerquiz.aspx

This quiz will help you identify what types of work you most like doing.

- ★ From your preliminary research make notes on the types of jobs or fields of work that may be of interest to you.
